

***Election Support Specialist – Voting Equipment Facility***

The Sarasota County Supervisor of Elections is hiring individuals to work in our Voting Equipment Facility (VEF) for the 2022 election year. The work environment will be mostly in a warehouse setting and physical demands include working on your feet, ability to drive and deliver in a work truck or van, or personal vehicle (with mileage reimbursement), pushing and pulling equipment, occasional lifting of less than 45 pounds. Basic technical/computer skills are required for preparation and testing of electronic equipment. Traditional work hours with some months off between elections; some nights/weekends prior to/during and following an election are required.

**Work Hours**

This position is based in Sarasota, FL. Hours 8 AM to 5 PM, some weekends and longer hours on election days. 4-5 days per week; can be flexible with time off.
